“We gratefully acknowledge that we rest on the traditional lands of the Puyallup
People where they make their home and speak the Lushootseed language.”

*Please note: Please find your translation request attached in a Word document and PDF. You can copy and paste the words from the Word document into other documents and emails. The PDF is attached so you can reference the proper placement of the characters. While you can copy and paste the phrases, they need to stay in Times New Roman, Calibri or Candara font to maintain the proper format of the characters. If other fonts are used, this may corrupt the Lushootseed characters making them incorrect. If you are making any poster, shirts, etc., we ask you to send your proof from the vendor to our office.
